AN RBC HERITAGE VOLUNTEER NEWSLETTER

ISSUE ONE • JANUARY 2020

TOURNAMENT TIME IS JUST AROUND THE CORNER...

We are now 3 months away from the Opening Ceremonies of the 52nd RBC Heritage Presented by Boeing. Last year was a huge success and all of this was made possible because of the 1,100 plus volunteers. It is due to your collective time, dedication, and hard work that makes us one of the best events on the PGA TOUR.

Moving forward to keep you informed about the tournament and the Heritage Classic Foundation, we will be sending out newsletters with updates and highlights. Thank you for volunteering and we look forward to seeing you in April!

WHAT IS THE HERITAGE CLASSIC FOUNDATION?

The Heritage Classic Foundation, a 501 (c)(3) nonprofit organization, is dedicated to supporting educational and charitable initiatives to enhance quality of life and economic vitality by hosting the RBC Heritage Presented by Boeing, South Carolina's only PGA TOUR golf tournament. As a volunteer for the RBC Heritage Presented by Boeing, take pride in knowing the work you do allows the foundation to make a large impact on the community.

PGA TOUR VOLUNTEER OF THE YEAR FINALIST

Every year the PGA TOUR asks each tournament to nominate a volunteer who they believe exemplifies the giving spirit of the PGA TOUR and the tournaments they represent. This year we nominated Janet Mitchell, Chairmen of the Tournament Support committee, and we are proud to say she was a finalist.

As Janet said, "my favorite part of volunteering is the sense of community and being able to come together to support the big picture: our scholars and charity programs."

Thank you, Janet, and congratulations!

CHARITY SPOTLIGHT

The PGA TOUR announced November 20th that Pockets Full of Sunshine, a Hilton Head Island-based non-profit beneficiary of the RBC Heritage, was a finalist for the 2019 PGA TOUR Charity of the Year award. The distinction comes with a \$5,000 grant from the PGA TOUR. Their mission is to create a more fulfilling life for adults with disabilities by developing and enhancing inclusive social, vocational and community-based opportunities. The money they receive through the Heritage Foundation helps offset the cost of running weekly programs which are offered free of charge.
